Dear Nick

Firstly, on behalf of the Permaculture Noosa Committee (PCN) and the full membership, we thank you, your committee and supporters for the work undertaken, and the passion and planning with which you made the Cooroy Community Gardens, the amazing space it is today. Hats off to you all. The PCN group only wishes we are able to live up to the task and passion needed to take the CCQ through the next phase of its journey.

We, PCN, accept your offer to take management of the Cooroy Community Gardens tenure and resources today, the 4th August 2017. A stock-take has been undertaken and is correct according to your stock-take. We have also signed the Noosa Council Trustee Permit today.

This will now enable you to finalise the Cooroy Community Gardens Inc business affairs.

Thank you again, and please feel welcome to visit anytime.

Yours faithfully
