

Permaculture Noosa

Hi There!...Our committee is trying to improve Permaculture Noosa and the experience our members are having, and thanks to Noosa Council we are working with Non-profit Governance Consultants. To get it right, we need your help. We know you may not like to tell us face to face, so we would love all our members to complete the form below and pop it in the box at our next meeting. You can remain completely confidential! This information will go to our consultants to help us develop a plan for the future that will provide what our members want. Thanks for your help!

What Are We Good At?	What Are We Bad At?	What Do You Think We Should Be Working On?	What Do You Think We Should Be Worried About?
<i>Eg: Organising club nights and interesting speakers (these are only examples!)</i>	<i>Eg: Letting members know what's happening</i>	<i>Eg: Organising more activities for members</i>	<i>Eg: Fundraising, spreading the word</i>
