

# A Tribute to Rosina Buckman

---

Sad loss of an amazing  
woman- a goddess no less!

## Rosina was a staunch member of Permaculture Noosa

---

- This amazing lady was the life of any party or PET day at Perma Noosa
- She was full of life and zest and lit up the room when she walked in
- HALLO DARLINGS was her favourite phrase

# Her great passion was her edible landscape garden in Tewantin

---

- Rosina Buckman is an inspirational gardener. The 72-year-old professionally trained actress won the Sunshine Coast Living Smart Award Edible Landscape in 2009 and has been running gardening workshops ever since.
- Here Rosina shares her knowledge on how to keep chooks in your backyard with details on everything from pen designs to building the pen, nesting herbs and chook feeding.

- 
- You don't have to know her street number to find **Rosina Buckman's** place. ... Winner of the **Edible Landscape Award** from Australia's Sunshine Coast Environment Council...

Truly a sad loss  
to us all
